COVID - RISK OF EXPOSURE

As with the transmission of any communicable disease like a cold or the flu, you may be exposed to COVID-19, also known as "Coronavirus," at any time or in any place. Be assured that we will always follow state and federal regulations and recommended universal personal protection and disinfection protocols to limit transmission of all diseases in our school and continue to do so.

Despite our careful attention to sterilization, disinfection, and use of personal barriers, there is still a chance that your child could be exposed to an illness on our campus, just as you might be at your local gym, grocery store, or favorite restaurant. "Social Distancing" nationwide has reduced the transmission of the Coronavirus. Although we have taken measures to provide social distancing on our campus, there is always a risk to be exposed to any communicable disease.

Parents, please initial as your acknowledgment that you accept the risk of exposure (although unlikely) to your child. _____

RELEASE OF LIABILITY

In Consideration for participating in the Athletic Camp, I agree to indemnify and hold Coastline Christian Schools and all persons involved in this school harmless from any liability for any loss or injury that may be suffered by the above individual arising out of or in any way connected with their participation in Athletic Camp.
