

**COASTLINE**  
Christian Schools

**ELEMENTARY (1ST - 5TH)**  
**SUMMER SCHOOL**

**JUNE 12 - JULY 12, 2024**

# GENERAL INFORMATION

---

## **PURPOSE**

Coastline Christian's Summer School provides an engaging, academic program focused on language arts and math while offering fun-filled enrichment activities in the afternoons.

## **ATTENDANCE/DISCIPLINE**

Consistent, regular attendance will enhance learning so please consider vacation plans before enrolling your child(ren) in summer school. Students are expected to behave with respect, honesty, and kindness toward peers and staff.

## **HALF-DAY VS. FULL-DAY**

- 1) Students can sign up for the morning and afternoon programs; this is a full-day program. All students are dropped off at 8:30 AM and picked up by 3:00 PM-lunchtime is included. Full-day students will be given enrollment priority over half-day students.
- 2) Students may sign up for the morning academic program only and be picked up at 11:30 AM; this is a half-day program-no lunch included.
- 3) Students may sign up for the afternoon enrichment program only and be dropped off at 12:00 PM and picked up by 3:00 PM; this is a half-day program-no lunch included.

## **CLASS SIZE**

All classes have a minimum of 10 students and a maximum of 24 students.

# SCHEDULE

---

Morning: Academic Classes	8:30AM-11:30AM
Lunch Break (only for full-day students)	11:30AM-12:00PM
Afternoon: Enrichment Classes	12:00PM-3:00PM

## ACADEMIC CLASSES

Students will be studying grade-level math and English language arts. The curriculum will reinforce skills learned, as well as, introduce new skills and concepts. The goal of the academic course is for students to learn and practice specific skills and concepts through texts, hands-on activities, audio-visual resources, and enriching exercises.

### *English Language Arts*

Students will spend time reading, writing, discussing ideas and themes found in their readings, and using critical thinking skills. They will practice reading comprehension and respond to reading texts with different forms of writing. They will read both fiction and non-fiction texts.

### *Math*

Students will practice grade-level math computations as well as learn new concepts and problem-solving skills. Students will learn through direct instruction, manipulatives, workbooks, and class discussions. Math workbooks are given to all 1st-5th grade students.

## LAST DAY WATER FUN

The last day of school students will have a fun water day. More details to come.

# REGISTRATION

---

## REGISTRATION

Registration is accepted on a first-come, first-served basis. Students who sign up for a full-day program will be admitted before students who sign up for a half-day program. Enrollment packets must be returned to the school office.

## DEADLINE

Monday, June 3, 2024 (or when classes are full); no refunds will be given after this date.

## REGISTRATION FEE

Register before April 30, 2024 to take advantage of the early registration fee of \$85 instead of \$135.

## TERMS & CONDITIONS

Registration fees are non-refundable. Tuition fees will not be refunded after Monday, June 3, 2024. There is no pro-rating of tuition fees for partial attendance. Payments will be refunded if Coastline Christian Schools must cancel a course or service due to lack of enrollment or circumstances beyond our control.

## ENROLLMENT PACKET

- Registration Form
- Emergency Information and Permission Form
- Transportation Form
- Copy of the latest Report Card (except for current CCS students)

# DATES

June 12 - July 12, 2024  
(No school on June 19, July 4 & 5)

# SERVICES AVAILABLE

---

## **LUNCH OPTIONS**

Students who are staying for the full-day program may purchase hot lunches from our Food Services. Menus and additional information will be provided with the summer school confirmation letter. Students who do not wish to purchase hot lunches should pack and bring a lunch from home.

## **TRANSPORTATION**

CCS is able to offer morning pick up and afternoon drop off for a few students who need help with transportation. We have two van shuttles for Alameda and San Leandro. Submit the Transportation Registration form attached to this brochure if you are interested.

# ENRICHMENT CLASSES

---

## **ART**

This course is designed to help students increase their awareness of different mediums, techniques and art history. Students will be exposed to different principles and elements of 2D and 3D art to give them a wide range of experiences. This class will help them understand art to gain a greater appreciation for the beauty and art around them and the history behind it. We will also introduce the vocabulary of art and study the different art periods and art masters throughout history.

## **ARTS & CRAFTS**

Students will learn fundamental drawing, painting, clay sculpting techniques and many creative crafts. Every class, they will explore a variety of art media like Watercolours, Acrylics, Oil Pastels, Chalk, Color Pencils, Pen and ink, Clay, Collages and many more through age appropriate creative projects.

## **DANCE**

This course is designed to introduce students to the art of dance and expand their knowledge of movement and choreography, its history, and its terms. Basic movement and movement concepts from Ballet, Jazz, Modern, Contemporary, and other styles will be explored. Students will learn choreography and tools to help them express themselves, discover their own artistic voice, and display creativity. Conditioning, Stretching, and Anatomy are a few other topics that will be covered. In dance class, students will work together, in small and large groups, and individually.

## **HANDS ON SCIENCE**

Students will explore, experiment, and discover the wonders of science through interactive, hands-on projects.

## **MARTIAL ART**

Students will learn various martial arts in a safe environment. Students will be able to learn some martial arts skills from Tae Kwon Do, Brazilian Jiu Jitsu, and Judo. Some benefits for students training in martial arts are coordination, fitness, teamwork, discipline, focus, respect, and confidence.

## MUSIC

Students will learn the fundamentals of music notation and develop basic skills in individual and ensemble practice and performance. Emphasis is placed on developing technical skills in listening to, valuing, creating, and studying the elements of music. Our class goal is to learn how the power of music can enhance daily life and how musical activities can become a source of great happiness and healing.

## READERS THEATRE

Reader's theater students work together to present an oral reading of a script, typically adapted from literature, plays, or other written texts. Reader's theater is an engaging activity used to promote reading fluency, especially oral expression.

## SPORTS

Sports are geared to incorporate various outdoor games and activities that will emphasize teamwork, communication, physical exercise, and, of course, fun! Soccer and basketball team sports will be the focus for lower grades, and volleyball and football will be added to the upper grades. It will be a great time of play and exercise for all students.
