

COASTLINE
Christian Schools

MIDDLE SCHOOL (6TH - 8TH)
SUMMER SCHOOL

JUNE 12 - JULY 12, 2024

GENERAL INFORMATION

PURPOSE

Coastline Christian's Summer School provides an engaging, academic program focused on language arts and math while offering fun-filled enrichment activities in the afternoons.

ATTENDANCE/DISCIPLINE

Consistent, regular attendance will enhance learning so please consider vacation plans before enrolling your child(ren) in summer school. Students are expected to behave with respect, honesty, and kindness toward peers and staff.

HALF-DAY VS. FULL-DAY

- 1) Students can sign up for the morning and afternoon programs; this is a full-day program. All students are dropped off at 8:30 AM and picked up by 3:00 PM-lunchtime is included. Full-day students will be given enrollment priority over half-day students.
- 2) Students may sign up for the morning academic program only and be picked up at 11:30 AM; this is a half-day program-no lunch included.
- 3) Students may sign up for the afternoon enrichment program only and be dropped off at 12:00 PM and picked up by 3:00 PM; this is a half-day program-no lunch included.

CLASS SIZE

All classes have a minimum of 10 students and a maximum of 24 students.

REGISTRATION

REGISTRATION

Registration is accepted on a first-come, first-served basis. Students who sign up for a full-day program will be admitted before students who sign up for a half-day program. Enrollment packets must be returned to the school office.

DEADLINE

Monday, June 3, 2024 (or when classes are full); no refunds will be given after this date.

REGISTRATION FEE

Register before April 30, 2024 to take advantage of the early registration fee of \$85 instead of \$135.

TERMS & CONDITIONS

Registration fees are non-refundable. Tuition fees will not be refunded after Monday, June 3, 2024. There is no pro-rating of tuition fees for partial attendance. Payments will be refunded if Coastline Christian Schools must cancel a course or service due to lack of enrollment or circumstances beyond our control.

ENROLLMENT PACKET

- Registration Form
- Emergency Information and Permission Form
- Transportation Form
- Copy of the latest Report Card (except for current CCS students)

DATES

June 12 - July 12, 2024
(No school on June 19, July 4 & 5)

SCHEDULE

MORNING

6th Grade Academic Classes		7th/8th Grade Academic Classes	
8:30-9:55	Math	8:30-9:55	English
9:55-10:05	Break	9:55-10:05	Break
10:05-11:30	English	10:05-11:30	Math

LUNCH BREAK

(only for full-day students)

11:30-12:00

AFTERNOON

Enrichment Classes

12:00-1:20

1st Session

1:40-3:00

2nd Session

MATH CLASSES

Survey of Fundamental Middle School Mathematics (6th Grade)

Session #1 (8:30 AM to 9:55 AM)

This course aims to introduce the fundamentals of 6th grade core mathematical concepts with coverage on conceptual understanding of arithmetic operations, fractions, expressions and equations, ratios and proportional relationships, and basic geometric analysis. Concepts will be reinforced through practice in problem solving to develop procedural fluency and application.

Pre-Algebra and Algebra Conceptual Development and Problem Solving (7th & 8th Grades)

Session #2 (10:05 AM to 11:30 AM)

This course aims to expose students to basic and advanced problem solving skills with focal practice on Algebraic concepts. Major topics will include a review of fundamental math concepts learned in 6th grade, basic number theory, linear equations and functions, ratios and proportions, rates, and complex geometric analysis.

LANGUAGE ARTS CLASSES

Language Arts II with an emphasis on Writing (7th & 8th Grades)

Session #1 (8:30 AM to 9:55 AM)

This course will focus on building students reading comprehension and writing skills. 6+1 Write Traits (voice, ideas, word choice, organization, sentence fluency, and conventions) will be taught to strengthen writing skills. Students will also learn about and write their own hero's journey according to Joseph Conrad's model. A variety of short stories will be read and used for comprehension practice, critical thinking & discussions, and learning about literary devices.

Language Arts I with an emphasis on Writing (6th Grade)

Session #2 (10:05 AM to 11:30 AM)

This course will focus on three aspects of language arts: reading, writing, and grammar. The focus will primarily be on how to show understanding in reading and how to organize thoughts before writing. One of the keystone strategies taught is the Jane Schaffer writing method. This is a writing framework that guides students to organize their thoughts when writing in response to literature. Students will read interesting stories and then write in response to their reading.

STUDY HALL

Session #1 or Session #2

Students will be supervised in a quiet environment where they can study, read, and work on self-directed projects. Study hall is only available in conjunction with an academic class.

ENRICHMENT CLASSES

ART

This course is designed to help students increase their awareness of different mediums, techniques and art history. Students will be exposed to different principles and elements of 2D and 3D art to give them a wide range of experiences. This class will help them understand art to gain a greater appreciation for the beauty and art around them and the history behind it. We will also introduce the vocabulary of art and study the different art periods and art masters throughout history.

ARTS & CRAFTS

Students will learn fundamental drawing, painting, clay sculpting techniques and many creative crafts. Every class, they will explore a variety of art media like Watercolours, Acrylics, Oil Pastels, Chalk, Color Pencils, Pen and ink, Clay, Collages and many more through age appropriate creative projects.

CHESS

Introduction to Chess provides new or beginning students with a strong foundation in the game's rules and strategies, and a community of enthusiasts to learn alongside. Students will begin with a brief history of chess and learn about the board and pieces through quizzes, videos, and games about how each piece moves.

COOKING

Cooking class will explore the basics of cooking through knife skills, food safety, and sanitization. Students will cook simple breakfast, lunch, and dinner dishes, including drinks, desserts, and appetizers. Students are asked to bring an apron for the cooking class.

CREATIVE WRITING

Creative Writing is a course that explores different genres of writing through both reading and writing, as well as the other necessary elements needed to improve writing and composition skills. This course is designed to inspire students to develop original pieces and ideas.

DANCE

This course is designed to introduce students to the art of dance and expand their knowledge of movement and choreography, its history, and its terms. Basic movement and movement concepts from Ballet, Jazz, Modern, Contemporary, and other styles will be explored. Students will learn choreography and tools to help them express themselves, discover their own artistic voice, and display creativity. Conditioning, Stretching, and Anatomy are a few other topics that will be covered. In dance class, students will work together, in small and large groups, and individually.

HANDS ON SCIENCE

Students will explore, experiment, and discover the wonders of science through interactive, hands-on projects.

MARTIAL ART

Students will learn various martial arts in a safe environment. Students will be able to learn some martial arts skills from Tae Kwon Do, Brazilian Jiu Jitsu, and Judo. Some benefits for students training in martial arts are coordination, fitness, teamwork, discipline, focus, respect, and confidence.

MUSIC

Students will learn the fundamentals of music notation and develop basic skills in individual and ensemble practice and performance. Emphasis is placed on developing technical skills in listening to, valuing, creating, and studying the elements of music. Our class goal is to learn how the power of music can enhance daily life and how musical activities can become a source of great happiness and healing.

SPANISH

Spanish class introduces the student to the cultures and languages of Spanish-speaking countries through the four basic language skills: listening comprehension, speaking, reading, and writing..

SPORTS

Sports are geared to incorporate various outdoor games and activities that will emphasize teamwork, communication, physical exercise, and, of course, fun! Soccer and basketball team sports will be the focus for lower grades, and volleyball and football will be added to the upper grades. It will be a great time of play and exercise for all students.
